The diagram illustrates a network structure with nodes at the bottom and bars at the top. The nodes are labeled 6, 7, 8, 9, 10, 13, and 14. Node 10 is highlighted in pink. Three orange bars at the top are connected by orange lines to nodes 9, 10, and 14. A purple bar at the top right is connected by a purple line to node 14.
